

PROPOSED POWER PLANT

The California Energy Commission has received an **Application for Certification** – a request for a license to build a power plant in this area. The proposed site for the **TESLA POWER PLANT** is:

Approximately 0.5 miles north of the Pacific Gas & Electric Tesla Substation and 1 mile south of the Altamont Speedway in the County of Alameda. Approximately 8 miles southwest of Tracy and 10 miles northeast of Livermore.

A **public Informational Hearing and Site Visit** will show the exact location of the proposed plant and the applicant, Midway Power, LLC, a subsidiary of Florida Power and Light, will describe the project.

The public is encouraged to attend:
